## PLATFORM

—OF THE—  
**Democratic-Conservative Party**

—OF THE—  
**STATE OF MISSISSIPPI.**

ADOPTED IN CONVENTION, AUG. 3, 1875.

The Democratic and Conservative people of the State of Mississippi in Convention assembled, invoking the blessing of Almighty God on their efforts, and inviting the co-operation of all citizens of the State who favor an honest, impartial and economical administration, do adopt the following declaration of their aims and principles:

1st. We recognize and will maintain the civil and political equality of all men as established by the Constitution of the United States and the Amendments thereto.

2d. We are in favor of the education of all the children of the State in public schools, sustained by adequate taxation, but we are opposed to extravagant or partisan administration of said schools.

3d. The selection only of honest, faithful, and competent men, for all offices from the highest to the lowest.

4th. Economy in the administration of the Government; the abolition of useless and unnecessary offices; and a reduction in the fees and salaries of those that are retained, and a strict and rigid accountability of all officers having the custody of public moneys, or charged with its collection.

5th. Biennial sessions of the Legislature, and a reduction in the expenses of that department of the government; and we denounce the Republican party of the State for their violated pledges on this subject.

6th. The selection of an able and competent judiciary, and a confining of the Judges to judicial functions purely, so that all temptation to partisanship on the bench shall be removed.

7th. A discontinuance of the enormous evil of special and local legislation, and in its stead the enactment of general laws under which local and private interests will be fully protected.

8th. The encouragement of agriculture, by securing the farmer and the laborer the just rewards of their toil and capital, and by relief from the burdensome taxation which now consumes their substance.

9th. The encouragement of manufactures in our midst.

10th. The elevation of the standard of official character, so as to infuse into official life a sense of public duty, the spirit of patriotism and integrity, to the end that government, law and public authority may be invested with the moral influence and dignity which will insure respect and obedience.

11th. We favor immediate action of the general government for the protection of the Mississippi river lowlands against inundation.

12th. The building up of partisan newspapers by legislation; the arming of the militia in time of peace, the unconstitutional attempt to take from the people the election of tax collectors, the attempted passage of the Metropolitan Police bill, the attempted corruption of the Judiciary by the use of Executive patronage, we denounce as gross outrages upon the constitutional liberty; while, as evidence of the utter incapacity of our present rulers, to administer the affairs of the State, we point to the mass of confusion in which the revenue and registration laws of the State have become involved; the necessity of extraordinary sessions of the Legislature to cure the blunders and follies of the regular sessions, and to the repeated Executive and Legislative acts which have been, by the Supreme Court, declared unconstitutional and void.

13th. That we cordially invite the voters of all the people of both races, to unite vigorously with us in the approaching canvass in a determined effort to give success to the foregoing principles, and thus to secure to ourselves and our posterity, the blessings of an honest, economical government, administered by able, efficient and competent public officers.

## BRIDGE TO BE REBUILT.

SEALED PROPOSALS TO BUILD A TRUSS Bridge on the site of the old one, of 60 feet span over the main stream, benches to be set on piles, and the truss-work on the east side of the stream to be in spans of 20 feet each. One and one-fourth round iron to be used in all bolts, of which there is supposed to be enough in the wreck. False caps to be used on the four main benches. Double bolts in foot of each brace. All sound flooring and timber of cypress, or heart pine may be used in rebuilding said bridge, except in the main spans, which must be all new and of long-leafed heart pine.

The bridge will be two feet higher at the east end than the old one, with an apron of thirty feet projecting over the turnpike to ascend to the level over the brick abutment, when this level will be maintained to the west bank of the river, which will bring the top of the cap sill eleven feet below the present top sill on the west bank. It will be seen by this that the bridge will be eleven feet lower than the old one, and on a perfect level from bank to turnpike.

These general items are given in order that bidders may know what the Board will consider.

Plans and specifications will accompany each bid, describing the size of timbers proposed to be used. The lumber must all be sawed. All sealed bids accompanied with specifications will be received up to Tuesday, the second day of November, 1875, directed to Chancery Clerk, Jackson, Miss., and marked "Bids for Bridge over Pearl River."

The Board reserves the right to reject any or all specifications and bids.

## COLFAX COUNTY.

A Grand Demonstration at West Point—Five Thousand Democrats in Procession, Including Four Hundred Negroes.

Speeches, Banners, and Decorations—Great Enthusiasm—A Radical Candidate in Jail.

Vicksburg Herald.]

WEST POINT, Oct. 28.—Colfax county is ablaze; this is the day of our redemption; twenty-five hundred cavalry, and as many infantry, two brass bands and three companies of artillery constitute the procession. The speaking is on the street, no building will hold the throng. The ladies are out, and have presented several beautiful banners, with appropriate mottoes, to the bands and clubs. One hundred forest trees are planted in our streets, from each waves a banner with the candidates names. Every business and public house is closed, and decorated; the deep-toned voice of Matthews of Lowndes, Reynolds of Monroe, and our Senatorial candidates, are firing the people with enthusiasm to-night. They speak amid the roar of artillery, a magnificent pyrotechnical display, the grand music. Six committees are represented—about four hundred negroes participating. The Radical ticket in Colfax is annihilated. The Democrats are triumphant; our people are happy and Heaven is glad. Chancery Clerk Harrington, candidate for re-election, in default of six dollars bail, is committed to jail.

LANE.

Col. Nugent in the River District—Extracts of a Letter to the Vicksburg Herald.

Yesterday was a day that will long be remembered with pleasure by the citizens of this end of Washington county. About a week ago notices were posted in this vicinity, informing the people that Col. W. L. Nugent, of Jackson, would deliver an address in behalf of the Democratic-Conservative party on the 23d instant, and when he mounted the stand, he was greeted by all of the white men of this precinct, and several hundred colored voters. His speech was one of the best efforts I have ever had the pleasure of listening to. It embraced a clear and comprehensive view of the political condition of the State.

Did General Lowry say anything about the peace conference in his Scoob's speech?—Pilot.

Yes, and recommended its observance, notwithstanding that inflammatory circular of that Major-General without a command.—Brandon Republican.
